Quit procrastinating - make those DC plans!

by Mike Major '67

Reunion UPDATE June 8, 2001
Northern Virginia/Washington DC

Who's coming to DC?
See Page 2!

Time to quit procrastinating and make those reservations for our FHS reunion July 27-29 in Northern Virginia/Washington DC. If you've never been to a Frankfurt High School reunion, it's OK. People WILL remember you! Everyone else is also in some form of progressive physical deterioration, so don't worry; you'll fit right in! It is a great chance to spend time with old friends as we all walk together down Memory Lane.

For those who have come with us before, you'll not want to miss another chance to relive those misspent years of our youth. Come hear the same great stories told again and again, with yet another enhancement! Yes, it's true, we really were a great group living in a special time and place.

In our hotel, most of us will be together on the 10th & 11th floors. The hotel has released additional space, and rooms ARE still available. The Embassy Suites is really accommodating our group, giving us a great physical setup to have a lot of fun. At this point, 60 people have signed up so far. The last time we went to Washington, over 100 FHS showed up. The more the merrier! Our most recent list of people planning to attend the reunion is printed on Page 2.

Please complete the enclosed registration ASAP to help keep our costs down, and to let us plan the best reunion possible. We hope to see you in Virginia this summer.

Mail-in Ballot Lets All Alumni Participate in Election

For the first time in our young history, alumni who aren't able to attend the annual business meetings have the opportunity to vote for class officers. In the last newsletter, you were asked to nominate classmates for elected offices, or to volunteer to serve. Nominees have been contacted to see if they would be willing to be included on the election ballot, which is enclosed in this newsletter.

Ballots should be mailed to Lennie Morris Knowlton as soon as possible, but probably no later than July 21st. Lennie will take the unopened ballots with her to the reunion, and she and Bob Samborski '68 will tally all votes. Results will be announced at the business meeting.

Please take a few minutes to vote and mail your ballot to Lennie. Help make our election truly representative!

Alumni News

Here's what's up with our classmates!

James "Jim" Ehrhardt '67

I'm getting divorced for the third time and the last time. I do have a set of twin daughters who are both married and each one has made me a grandpa of two wonderful boys. I spoil them whenever I can!

Wendy Lai Fielding '72

Once again, my husband's firm has moved us. Back in Texas (Dallas), but missing Florida—too cold here. We drove cross country with a 15-year-old at the wheel—any of you see a red van with surfboards on top and a screaming woman in the back? That was us giving our son some quality/quantity time at the wheel!

I'm still living in the same house in Burbank where I've spent the past 22 years. I do have a relatively new job, though—I'm in my third year as a mathematics teacher and director of the Technology Center at a private school in L.A., Harvard-Westlake School. And I'm loving it! Mr. Wagner would have been proud.

In the last year—through the "miracle" of the internet, I have been in touch with old (or should I say "long-time"?) friends—and have made new ones, as well.

I attended a mini-reunion in San Jose, California last summer.

All attendees had lived in Darmstadt and gone to FAHS. Lots of fun!

I have also seen my high school boyfriend, Eddie Baker, Carol Cadima '67, Monica Clark '68, Wade Gonzalez '68, Tom Guptill '65, and have spoken with Gail Adams '68 as well as Pat Cybulski '67 and her brother, Rich '66.

The Frankfurt web site is so much fun to browse! I keep hoping to find EVERYONE I ever knew! Thanks for all of your hard work—I truly appreciate it!

Dear Friends,

I would like to contribute membership fees to help with the FAHS web site. I have found some friends but would love to find many more out there! Frankfurt will always have a favorite place in my heart. A time of joy, innocence and to be surrounded by so many sweet friends. It's the small town I always carry with me in my heart. I left at the end of 1969. Thank you.

After FHS closed in '95 (my husband Ed was principal), he was transferred to H.H. Arnold High School in Wiesbaden. He stayed there for three years. I taught one more year at Frankfurt International School. Jan graduated from FIS in 1996 and came back to the US to attend the University of Florida in Gainesville and will graduate soon (we hope)! My father passed away in October 1999 and my mother now lives 10 minutes from us.

I completed my Masters in Counseling Psychology and opened a private practice in Frankfurt. In April of '98, Ed and I decided we would take the big risk of returning to the US "after all these years." He decided on early retirement from DODDS. We chose this beautiful spot on the west coast of Florida, a small island actually (Perico Island) between St. Petersburg and Sarasota.

I have again opened my practice and see clients in our home. We love the simple life style here and the fabulous weather. Life is good for us, and after 14 moves together in 25 years, we think we'll be here awhile—a long while! I would love to hear from any former "FHSers."

P.S. Linda Reese duKor '67 helped us find our house here! She's a realtor with Re/Max.

My heart was broken as I read the note about Nick Panos

in the newsletter. Nick had just gotten in touch with me via e-mail on July 4th, 2000, and we were both hoping the reunion would be in this area (Diane lives in Warrenton, VA) in 2001. I hope to see you at the reunion, where we can celebrate Nick's life.

I left private industry in 1983 to go back to school—this time to focus on the technical/mathematical inclinations that were discouraged by our guidance counselors. After adding advanced degrees in Mathematics, Statistics and Operations Research to my portfolio, I rejoined the Army as a DA Civilian and have been working for Uncle ever since! I now chair the team of analysts who are doing the independent assessments in support of the Objective Force and Future Combat Systems Program.

My wife, Irene, teaches piano and works as a secretary for the local school system. My son, Bradford James, is a junior in college.

I intend to attend the Friday night session of the 2001 reunion in Crystal City (I will be leaving for a family vacation Saturday morning). The last issue of the "Bald Eagles Echo" was extremely moving.

I just received news that I am being honored with the Sustainer Award from the Junior League of Bronxville on May 23rd. (I left the League in 1994 to go sustainer when Heartsong was getting off the ground--it is in light of that, that I am receiving the award from the President.)

To the Alumni Group of 67-71, it's time to say THANKS for all the hard work and dedication put forth by everyone involved with; the Website (Lynda), the Newsletter and database (Gaye, Lennie, Bill and Joye), the secretarial chores to make sure it's all on paper and accurate (Krys) and last, but certainly not least the leadership at the top (Gayle and Reese) for making it all go!!! You guys are all GREAT!!! You too Steve! THANKS FROM THE

BOTTOM OF MY HEART to all of you.

I was just browsing through the "Thinking of You" page and I have to note the loss of two friends. Nick Panos and Herb Nesmith were both friends of mine. I hadn't seen Nick since Frankfurt, but I worked with Herb in Sacramento. He was the voice everyone loved to listen to during public affairs events for a number of years before moving to LA. He will be missed.
